

Swipe Now, Stress Later:

The Growing Buy Now, Pay Later Debt Culture Among Young Adults

Chapter 1:Introduction

Young adults often use Buy Now, Pay Later services, resulting in impulsive spending and debt.

4 out of 10 young adults miss BNPL payments

Chapter 2:Literaire Review

Financial
Literacy
Seminars

Payment
Reminders

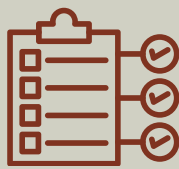

Financial
Budgeting
Apps

The solution's weaknesses are missed seminars, reactive BNPL reminders, and undisciplined budgeting apps.

Chapter 3:Methodology

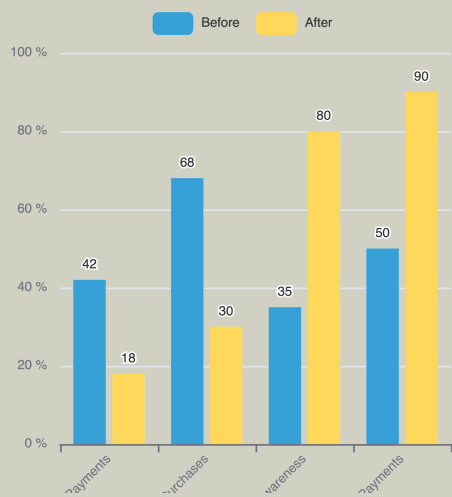

SMART PAY Framework

- S – Spend Tracking
- M – Monthly Limits
- A – Alerts for Awareness
- R – Reflection Habit
- T – Teach Financial Literacy

Chapter 4:Implementation

Young adults who followed the SMART PAY system showed fewer missed payments and reduced unnecessary BNPL purchases.

Chapter 5:Conclusion

Buy Now Paylater is not inherently harmful, but without financial discipline and awareness, it can normalize debt culture among young adults.
